Application No. 34140

FIRST SUPPLEMENTAL OPINION AND ORDER

By Decision No. 48590, on Application No. 34140, applicant was required to file with this Commission a copy of the Retirement and Insurance Plan proposed to be established for the benefit of the utility's employees. The time within which to file said plan expires July 30, 1953. It is now requested that ninety days' additional time be granted. As justification therefor it is alleged that applicant is in the process of incorporating the utility business and that said plan will not become effective until after such incorporation; therefore, good cause appearing,

IT IS HEREBY ORDERED that paragraph (3) of the Order in Decision No. 48590 be, and it hereby is, amended to read as follows:

- (3) That on or before October 31, 1953, applicant shall file with this Commission a copy of the Retirement and Insurance Plan, referred to herein, as executed.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 10<sup>th</sup> day of August, 1953.
