Service Regulation in Decision Number)
35673 on Application Number 25206 in)
the City of Oakland.)

O P I N I O N

Applicant, Peerless Stages, Inc., presently rendering a passenger stage service between Oakland and San Jose, among other points, seeks authority to operate over an alternate route for through traffic only, between the Town of Mt. Eden and the Hayward-Niles Road via Harder Road.

By Decision No. 48791 dated July 17, 1953 in Application No. 34440 applicant was authorized to operate over the Eastshore Freeway to Jackson Street in the Town of Mt. Eden. The proposed alternate route it is alleged would be utilized for through schedules which presently operate over the Hayward-Niles Road to the City of Hayward before reaching the Eastshore Freeway. The proposed route it is claimed would alleviate the necessity of operating through the heavily congested traffic in the Hayward vicinity and would result in a saving of five to ten minutes running time.

After full consideration the Commission is of the opinion that public convenience and necessity require the granting of the authority sought.

O R D E R

Application having been filed, the Commission being informed in the premises and it having been found that public convenience and necessity so require,

IT IS ORDERED:

(1) That Route No. 1 between Oakland and San Jose as described in Decision No. 35763 in Application No. 25206 is hereby amended by adding thereto the following subject to the restriction that no passengers may be picked up or discharged along said route:

(k) Commencing at the intersection of Eastshore Freeway and Jackson Street in the Town of Mt. Eden thence along Harder Road to its intersection with Hayward-Niles Road.

The effective date of this order shall be twenty days after the date hereof.
