Application No. 34640

O R D E R

Southern Pacific Company is authorized to construct an industrial drill track at grade across 50th Avenue in the City of Oakland, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. D-10.8. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without super-elevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding six percent. Protection shall be by two Standard No. 3 wigwag signals or two Standard No. 8 flashing light signals (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

The proposed drill track southerly of the main line tracks and the existing drill track northerly of the main line tracks shall be connected to actuate said Standard No. 3 wigwag signals or Standard No. 8 flashing light signals.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be

extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 15th day of September, 1953.
