OPINION AND ORDER

Applicant holds city and highway carrier permits. By Decision No. 47634 of August 26, 1952, in Application No. 33666, he was authorized to handle C.O.D. (collect on delivery) shipments for Montgomery Ward & Co. without securing and filing a bond with the Commission as required by General Order No. 84C. This authority expired September 15, 1953. Applicant seeks its reinstatement. The shipper involved has again voluntarily waived the protection afforded by the C.O.D. bond requirements.

It appears that this is a matter in which a public hearing is not necessary and that reinstatement of relief from the bond filing requirements for a further one-year period is justified. So that applicant's exemption will not be inoperative for any appreciable length of time, the order herein will be made effective immediately.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Donald Ray Inglis be and he is hereby authorized to handle C.O.D. shipments for Montgomery Ward & Co., without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules

and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 22nd day of September, 1953.
