Application No. 34708

OPINION AND ORDER

Albert Meyer and Selma Meyer, doing business as M & H Warehouse and Rice Driers, conduct public utility warehouse operations near Yuba City. By this application authority is sought to lease the warehouse property and equipment to Pacific International Rice Mills, Inc., a corporation. The proposed lease is for a two-year period beginning October 1, 1953, with an option authorizing Pacific International to extend the lease for an additional one-year period.

The verified application shows that Albert Meyer managed the business but that he is not able to continue due to ill health. It also shows that Pacific Vegetable Oil Co., a user of these facilities, has organized Pacific International Rice Mills to take over and continue the operations involved. It further shows that the new operators are familiar with this business. No change is proposed in the service available to the public nor in the rates, rules and regulations applicable thereto.

It appears that this is a matter in which a public hearing is not necessary, that applicants' proposals are not adverse to the public interest and that the sought authority should be granted.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Albert Meyer and Selma Meyer, doing business as M & H Warehouse and Rice Driers may, within sixty days after the effective date hereof, lease the warehouse property and equipment involved in this proceeding to Pacific International Rice Mills, Inc., a corporation, and execute a lease in a form substantially the same as the form of lease attached to the application; that prior to the effective date of said lease, applicants shall, on not less than five days' notice to the Commission and the public, supplement or reissue tariffs on file with the Commission insofar as they name rates, rules and regulations governing the warehouse operations here involved to show that Albert Meyer and Selma Meyer, doing business as M & H Warehouse and Rice Driers have withdrawn or canceled and that Pacific International Rice Mills, Inc., a corporation, has concurrently adopted or established as its own said rates, rules and regulations; and that the tariff filings made pursuant to this order shall in all other respects comply with the regulations governing the construction and filing of warehouse tariffs set forth in the Commission's General Order No. 61.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 22nd day of September, 1953.
