ORDER OF DISMISSAL

By petition filed September 24, 1949, in this proceeding, the California State Brewers Institute sought adjustment of the minimum rates applicable to the transportation of malt liquors. Subsequently public hearings were held. Cost and rate studies were offered but the record was not closed. The matter was removed from the hearing calendar. The rates in question were thereafter adjusted in the light of showings of increased costs and other changed transportation conditions. The present situation with respect to rates is not similar to that existing at the time the petition was filed. The petition will accordingly be dismissed without prejudice to further consideration and adjustment of rates for the above-described transportation should the need for such action develop.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that the petition of the California State Brewers Institute, filed in this proceeding on September 24, 1949, be and it is hereby dismissed without prejudice.

Dated at San Francisco, California, this 29th day of September, 1953.
