

ORIGINALDecision No. 49250

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of CALIFORNIA ELECTRIC) Application No. 32188
 POWER COMPANY for increase of rates.) (Amended)

SIXTH SUPPLEMENTAL ORDER EXTENDING TIME

By Part 4 of the order in Decision No. 46397 dated November 6, 1951, the Commission ordered applicant to prepare two cost-of-service studies. By an order extending time dated April 21, 1953, applicant was required to file the results of such studies with the parties and the Commission not later than November 1, 1953. Subsequently, on September 1, 1953, Decision No. 49024 was issued establishing the procedures to be followed by applicant in preparing said cost-of-service studies.

Applicant has stated, by letter, that it will be unable to have the results of those studies in form available for distribution prior to the latter part of November, although it has made every effort to comply with the Commission's order. Applicant requests an extension of the time for filing to November 30, 1953.

It now appearing that an extension of time from the limit specified in Part 4 of the order of Decision No. 46397 as amended December 27, 1951, May 13, 1952, October 28, 1952 and April April 21, 1953, should be granted,

IT IS HEREBY ORDERED that Part 4 of the order in Decision No. 46397 is amended to read as follows:

- "4. Applicant shall prepare two (2) cost of service allocation studies, one as to classes of service and the other as to areas, shall serve copies of an outline of the basis of its proposed allocation upon the parties hereto and the Commission not later than January 18, 1952, and as amended

by rulings on protests or criticisms received on or before February 18, 1952, applicant shall file the results of said studies with the parties and the Commission not later than November 30, 1953."

In all other respects Decision No. 46397 shall remain in full force and effect.

Dated at Los Angeles, California, this 27th day of October, 1953.
