O R D E R

Southern Pacific Company is authorized to construct one spur track at grade across Raymer Street in the City of Los Angeles, at the location described in the application. Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant states that one of the industries to be served by this trackage has indicated an early need for receipt of carload shipments, and accordingly requests that the order,

if granted, be made effective immediately. For this reason the effective date of this order shall be the date hereof.
