Application No. 28722

ORDER REVOKING OPERATING RIGHTS

By Decision No. 41119, dated January 13, 1948, in Application No. 28722, Walter R. Blick and Mervyn F. Cole, doing business as Peterson Water Taxi, were authorized to purchase the operative right granted to Harold S. Peterson by Decision No. 31115, dated July 19, 1938, in Application No. 21046, to establish a common carrier vessel service on San Francisco Bay.

It appears after investigation that Blick and Cole have discontinued the above-described operation without any authorization to suspend or discontinue service. Cole's whereabouts is unknown, Blick has requested that their certificate of public convenience and necessity be revoked.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that the certificate of public convenience and necessity transferred to Walter R. Blick and Mervyn F. Cole, doing business as Peterson Water Taxi, by Decision No. 41119, in the above-entitled proceeding, is hereby revoked and all effective tariffs and timetables on file in their name are hereby canceled.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon Walter R. Blick and Mervyn F. Cole in the manner prescribed by law.

The effective date of this order shall be twenty days after lawful service of copies thereof upon the above-named parties, unless said Walter R. Blick and Mervyn F. Cole before such effective date shall have filed with this Commission a written response to this order, denying the facts set forth herein and requesting a public hearing thereon, in which event the effective date of this order will be stayed until hearing is had and further order issued.

Dated at San Francisco, California, this 10th day of November, 1953.
