Application No. 34635

O R D E R

The City of Newport Beach is authorized to construct 31st Street at grade across the main track of the Newport Line of Pacific Electric Railway Company in the City of Newport Beach, Orange County, at the location described in the application, to be identified as Crossing No. 6E-37.35. Width of crossing shall be not less than 34 feet, and grades of approach not greater than one per cent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B), with reflex reflecting sheet material.

Construction and maintenance expense shall be borne in accordance with an agreement to be entered into between the parties herein, and a copy of the executed agreement shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of the construction and maintenance by subsequent order.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 24th day of November, 1953.
