SUPPLEMENTAL ORDER

By Decision No. 49181, dated October 6, 1953, as amended, the Commission, among other things, authorized F. O. Culy, et al., to transfer certain operative rights represented by certificates of public convenience and necessity, and certain properties to Culy Transportation Co., Inc.

Thereafter, by Decision No. 49232, dated October 20, 1953, pursuant to Application No. 34698 filed on September 4, 1953, the Commission granted to F. O. Culy, et al., authorization to conduct operations pursuant to their certificates of public convenience and necessity over certain alternate routes. Such authorization was not included in the transfer approved by the Commission by its Decision No. 49181 and the Commission now is asked to enter a

supplemental order authorizing the transfer of the alternate route authorization.

The Commission has considered this matter and is of the opinion that a public hearing is not necessary and that applicants' request should be granted; therefore,

IT IS HEREBY ORDERED that F. O. Culy, H. F. Culy, D. O. Culy, D. P. Culy, G. R. Culy and Frank Culy, Jr., doing business as Culy Transportation Company, may transfer to Culy Transportation Co., Inc., the alternate route authorization granted to them by Decision No. 49232, dated October 20, 1953.

This supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 5th day of

January, 1954.
