 property between Los Angeles and)
 Los Angeles Harbor pursuant to)
 Sections 851-853 of the California)
 Public Utilities Code.)
 -----)

Application
No. 34921
(First Supplemental)

FIRST SUPPLEMENTAL ORDER

In this proceeding as originally presented to the Commission, the request was made for an order authorizing the transfer of certain operative rights and properties to, and the assumption of indebtedness and the issue of stock by, Burton Truck and Transfer Co. By Decision No. 49430, dated December 15, 1953, the Commission granted the application.

In a supplemental application filed in this matter on December 22, 1953, the corporation reports that its name inadvertently was set forth in the original filing and carried in the Commission's decision as Burton Truck and Transfer Co. whereas its true and correct corporate name is Burton Truck & Transfer Co. It asks the Commission to enter a supplemental order amending its Decision No. 49430 so as to set forth its correct name.

The Commission has considered this matter and is of the opinion that the request should be granted; therefore,

IT IS HEREBY ORDERED that Decision No. 49430, dated December 15, 1953, hereby is amended so as to reflect the corporate name of applicant corporation as Burton Truck & Transfer Co. wherever the name of said corporation appears in said decision.

This first supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 5th day of January, 1954.
