

ORIGINALDecision No. 49538

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
 ERNEST E. STUBBLEFIELD, for renewal) Application No. 35001
 of license as a Motor Transportation)
 Broker for the year 1954.)

O P I N I O N

In the above-entitled application Ernest E. Stubblefield states that he desires to continue business as a motor transportation broker for which he had obtained a license from the Commission by Decision No. 48203 dated January 27, 1953, in Application No. 33991. License certificate No. 1 issued pursuant to that decision expired December 31, 1953, and is renewable subject to the provisions of the statute and those prescribed by the Commission.

Applicant states that his brokerage business would be continued at Room 228, Wholesale Terminal Building, 1304 East Seventh Street, Los Angeles, California. He plans to continue as a broker for the same truck carriers for which he held a license during 1953.

Applicant has on file with the Commission a bond required by the provisions of Section 4838 of the Public Utilities Code. After full consideration of applicant's request it appears that the license should be renewed for the remainder of the year 1954. A public hearing is not deemed necessary.
