Application No. 34995

OPINION AND ORDER

Santa Paula Water Works, Ltd., a corporation, asks the Commission for authority to carry out the terms of an agreement, dated December 23, 1953, with Roy C. Whitelaw and Virginia Whitelaw, his wife, permitting them to take 65,340 cubic feet of water per year, but not in excess of 179 cubic feet of water in any 24-hour period, of surface flow of Santa Paula Creek for garden purposes. The price to be paid for the right to take water is \$36.25 per year. The agreement will expire on December 31, 1954, unless extended by written agreement.

A prior agreement, identical except for executed and expiration dates, was approved by the Commission in its Decision No. 48121, dated January 6, 1953.

The Commission having considered the request of the company and being of the opinion that the application should be granted and that a public hearing is not necessary, therefore,

IT IS HEREBY ORDERED that Santa Paula Water Works, Ltd., a corporation, be authorized to carry out the terms and conditions of the agreement with Roy C. Whitelaw and Virginia Whitelaw, his wife,

dated December 23, 1953, as set forth in Exhibit A attached to the application, which exhibit is made a part of this order by reference.

IT IS HEREBY FURTHER ORDERED that:

1. Applicant shall file with this Commission within thirty days after the effective date of this order two certified copies of the agreement as executed, together with a statement of the date on which the agreement is deemed to have become effective.
2. Applicant shall notify this Commission of the date of termination of said agreement within thirty days from and after said date of termination.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco California, this 18th day of January, 1954.
