

ORIGINAL

Decision No. 49737

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation)	
into the rates, rules, regulations,)	
charges, allowances and practices)	
of all common carriers, highway)	
carriers and city carriers relating)	Case No. 5432
to the transportation of general)	
commodities (commodities for which)	
rates are provided in Highway)	
Carriers' Tariff No. 2).)	

SUPPLEMENTAL OPINION AND ORDER

Canned goods and other foodstuffs are listed in Item No. 610 series of Highway Carriers' Tariff No. 2. The listing should be revised so that the application of the rates will clearly be restricted to food syrups.

Commodity rates for the transportation of infusorial earth from White Hills to San Francisco Territory are intermediate in application subject to the routings in Item No. 900. That item should be amended to provide a specific routing from White Hills.

A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Highway Carriers' Tariff No. 2 (Appendix "D" of Decision No. 31606' as amended) be and it is hereby further amended by incorporating therein to become effective April 1, 1954, the revised pages attached hereto and by this reference made a part hereof, which pages are numbered as follows:

Eleventh Revised Page 47 cancels Tenth Revised Page 47
Seventh Revised Page 68 cancels Sixth Revised Page 68

IT IS HEREBY FURTHER ORDERED that tariff publications of common carrier respondents filed pursuant to this order may be made effective on not less than five days' notice to the Commission and to the public.

In all other respects said Decision No. 31606, as amended, shall remain in full force and effect.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 7th day of March, 1954.
