ORDER FOR SUBMISSION

The hearing on the above-entitled matter was held before Examiner W. E. Cline at Watsonville on February 4, 1954. The matter was left open for the purpose of receiving in evidence the Commission staff's late-filed Exhibit No. 13 on or before February 15, 1954, applicant being given the right to request a further hearing for the purpose of cross-examining the Commission staff witness in connection with said Exhibit No. 13 within 10 days from the date of service of a copy of said exhibit upon applicant and its attorney. Said Exhibit No. 13 was filed February 15, 1954, and by letter dated February 23, 1954, applicant has requested an opportunity to cross-examine the staff witness. Applicant has stated, however, that in the event applicant's explanatory letter of February 11, 1954 is permitted to be received in evidence as a late-filed exhibit it is willing to withdraw the request for further hearing and have the matter submitted.

The Commission staff having no objection to the introduction in evidence of applicant's explanatory letter of February 11, 1954, as a late-filed exhibit, and good cause appearing; therefore,

IT IS HEREBY ORDERED that applicant's explanatory letter of February 11, 1954 shall be received in evidence as late-filed

Exhibit No. 14 and that this matter be taken under submission on the effective date of this order.

This order shall be effective on the date hereof.
