and to abandon and remove a spur track )  
approximately 408 feet in length located )  
thereat, both of said stations being )  
located in the County of Madera, State of )  
California. )

Application No. 35066

O R D E R

The verified application of Southern Pacific Company filed on January 19, 1954, discloses that no passenger or freight business has been transacted at applicant's two stations of Tillman and Plains during the past three years and that continued maintenance thereof is not necessary.

Good cause appearing, Southern Pacific Company is authorized to abandon its two Class "B" non-agency stations of Tillman and Plains, County of Madera; to remove a side track of approximately 478.4 feet at Tillman and a spur track of approximately 408 feet at Plains; to eliminate said names from its station records; and to cancel all tariffs and time schedules applying at said stations on not less than five days' notice to the Commission and the public.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall become void if not

exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 30<sup>th</sup> day of March, 1954.
