Application No. 35217

O R D E R

The verified application of Southern Pacific Company filed on March 4, 1954, discloses that the amount of passenger and freight business transacted at applicant's station of Covell during the past several years no longer warrants its continued maintenance.

Good cause appearing, Southern Pacific Company is authorized to abandon its Class "B" non-agency station of Covell, County of Stanislaus; to remove a packing shed and a team track of approximately 1,364 feet in length at said station; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 13th day of April, 1954.
