Case No. 5330

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 49456 of December 21, 1953, revised territorial descriptions were established in City Carriers' Tariff No. 3-A - Highway Carriers' Tariff No. 4-A. The boundaries of the City of Covina have been extended so that part of the city is now included within the Metropolitan Los Angeles area as specifically described in the tariff. A tariff rule provides that in such circumstances all of the city is within the area. For clarity the tariff description and the map depicting the area will be revised accordingly. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that City Carriers' Tariff No. 3-A - Highway Carriers' Tariff No. 4-A (Appendix "A" to Decision No. 44919 as amended) be and it is hereby further amended by incorporating therein to become effective June 15, 1954, the revised pages attached hereto and by this reference made a part hereof, which pages are numbered as follows:

First Revised Page 21-A cancels Original Page 21-A
First Revised Page 23-C cancels Original Page 23-C

IT IS HEREBY FURTHER ORDERED that tariff publications to be made by common carriers pursuant to this order may be made effective not earlier than June 15, 1954, and on not less than five days' notice to the Commission and to the public.

In all other respects said Decision No. 44919, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 27th day of April, 1954.
