of California. )

Application No. 35508

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Toland Street in the City and County of San Francisco, at the location described in the application, to be identified as a portion of Crossing No. E-282-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The industry to be served by the proposed track desires it to be placed in service so as to permit an early opening of their new plant, therefore the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 29<sup>th</sup> day of June, 1954.
