SECOND SUPPLEMENTAL ORDER

By Decision No. 48413, dated March 30, 1953, the Commission authorized San Joaquin Telephone Company, among other things, to reissue 6,000 shares of its Original Prior Preferred Stock, \$20 Par Value, of the aggregate par value of \$120,000, on or before December 31, 1953, in exchange for outstanding shares of preferred stock.

In a petition filed in this proceeding on July 1, 1954, applicant reports that it has reissued 4,500 shares and that it is undertaking to complete the reissue of the remaining 1,500 shares. It reports that it will require additional time within which to do so and has requested the Commission to extend the time to June 30, 1955.

The Commission has considered this matter and is of the opinion that applicant's request should be granted; therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which San Joaquin Telephone Company may reissue its shares of Original Prior Preferred Stock, \$20 Par Value, under the authorization granted by Decision No. 48413, dated

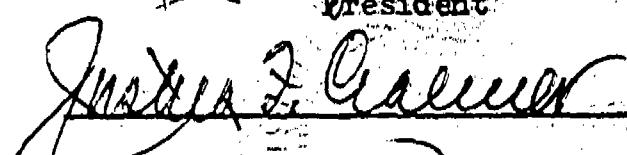

March 30, 1953, be, and it hereby is, extended to and including
June 30, 1955.

2. This second supplemental order will become effective
upon the date hereof.

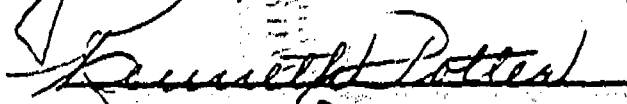

Dated at San Francisco, California, this 13th day
of July, 1954.
