vs.)

Case No. 5367

THE WESTERN TELEPHONE COMPANY,)

Defendant.)

ORDER MODIFYING DECISION NO. 48222
RESPECTING FILING OF REPORTS

The Commission, by ordering paragraph 3 in Decision No. 48222, dated January 27, 1953 in the above-entitled matter required The Western Telephone Company to file bimonthly reports of progress of its construction program in Mendocino County until such program is completed.

The Western Telephone Company, by written request, seeks authority to discontinue filing such bimonthly reports of progress in view of the substantial completion of its program at this time.

The Commission having considered the company's request, and being of the opinion that ordering paragraph 3 of said Decision No. 48222 should be modified as set forth herein, that a public hearing is not necessary and good cause appearing; therefore,

IT IS HEREBY ORDERED that ordering paragraph 3 of the order in Decision No. 48222 shall be changed to read as follows:

"A final progress report shall be submitted at such time as defendant's scheduled construction work in Mendocino County, as filed by letter dated March 13, 1953, is completed."

In all other respects Decision No. 48222 shall remain in full force and effect.

Dated at San Francisco, California, this 20th day of July, 1954.
