BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

NICHOLAS CAPRARO, dba PALO ALTO)	
TRANSIT requesting authority to)	Application No. 35437
extend its service to Mountain)	
View, California.)	

O P I N I O N

Applicant, Helen C. McQuiggan, Administratrix of the Estate of Nicholas Capraro, doing business under the name of Palo Alto Transit, presently rendering a passenger stage service between points on the San Francisco peninsula, seeks authority to extend service to Mountain View.

Said extension would be approximately 5.6 miles and would allegedly serve as a feeder line from the suburban area of Mountain View to the depots of the Pacific Greyhound Lines and the Southern Pacific Company. Exhibit C attached to the application and made a part thereof sets forth the proposed fares. It is asserted that the proposed extension will permit applicant to turn dead mileage into revenue mileage.

After consideration the Commission is of the opinion that public convenience and necessity require that the authority sought be granted. A public hearing does not appear to be necessary.

O R D E R

Application having been filed and the Commission informed in the premises,

IT IS ORDERED:

1. That a certificate of public convenience and necessity be granted to Helen C. McQuiggan, Administratrix of the Estate of
