Angeles, California.)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 49588 of January 25, 1954, Terminal Refrigerating Company, a corporation, was granted a certificate of public convenience and necessity to operate designated warehouse space to be constructed at 748 Jesse Street, Los Angeles. A correction of the address is sought.

Applicant states that at the time of hearing, the premises on which the warehouse was to be constructed had no definite street address and, through inadvertence, 748 Jesse Street became part of the record. It has now been determined that the correct address is 2233 Jesse Street, Los Angeles.

It appears that this is a matter in which a public hearing is not necessary and that the requested correction should be granted.

Therefore, good cause appearing,

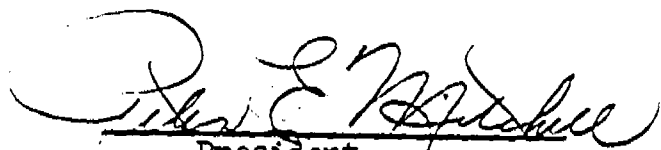

IT IS HEREBY ORDERED that ordering paragraph 1 of Decision No. 49588 of January 25, 1954, in this proceeding be and it is hereby amended by substituting for the address "748 Jesse Street, Los Angeles" the address "2233 Jesse Street, Los Angeles."

In all other respects Decision No. 49588, as amended, shall remain in full force and effect.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 21st day of September, 1954.
