O R D E R

The verified application of San Diego and Arizona Eastern Railway Company filed on October 29, 1954, discloses that the industry requiring establishment of applicant's station of Potash has been abandoned for several years, that thereby it does not require freight business to be transacted at said station and that consequently continued maintenance of said station is not necessary.

Good cause appearing, San Diego and Arizona Eastern Railway Company is authorized to abandon its non-agency station of Potash, County of San Diego; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public.

Within thirty days after abandonment as authorized herein, applicant shall so notify the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.
