Application  
No. 36001  
(First Supplemental)

FIRST SUPPLEMENTAL ORDER

By Decision No. 50801, dated November 30, 1954, the Commission authorized Southern California Water Company to sell a parcel of land, located in its South Arcadia District, on or before January 31, 1955.

In a first supplemental application filed in this proceeding on December 16, 1954, applicant reports that the selling price is \$15,750 instead of \$15,570 as reported in its original application, and that it desires authorization so as to permit it to consummate the sale subsequent to January 31. Accordingly, it has requested the Commission to enter a supplemental order amending its original authorization.

The Commission has given consideration to this matter and is of the opinion that such a supplemental order should be issued; therefore,

IT IS HEREBY ORDERED that ordering paragraph 1 of the order in Decision No. 50801, dated November 30, 1954, be, and it hereby is, modified to read as follows:

"1. Southern California Water Company may sell the real property referred to herein on or before April 15, 1955, under the

terms set forth in the original and first supplemental applications herein."

This first supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 4<sup>th</sup> day of JANUARY, 1955.
