FOURTH SUPPLEMENTAL ORDER

By orders in the above entitled matter, the Commission heretofore has authorized Hacienda Water Company, among other things, to issue and sell \$250,000 par value of its capital stock to finance the construction of properties.

In a fifth supplemental application filed on January 19, 1955, applicant reports that 1,534 shares of stock, having an aggregate par value of \$38,350, remain unsold, that it desires to proceed with the sale of these remaining shares, and that it will have need for the proceeds from the additional sales to proceed with its required construction work. Accordingly, it has requested the Commission to extend the time within which it might sell the stock.

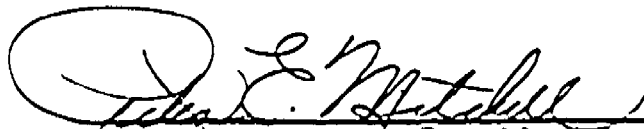

The Commission has considered this matter and is of the opinion that applicant's request should be granted, as herein provided; therefore,

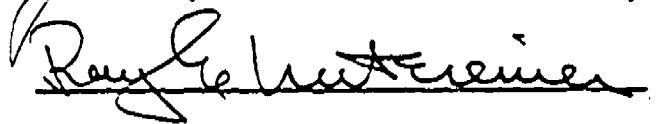

IT IS HEREBY ORDERED that the time within which Hacienda Water Company may issue and sell the stock heretofore authorized by orders in Application No. 32338 be, and it hereby is, extended to and including December 31, 1956.

This fourth supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 7<sup>th</sup> day of February, 1955.
