O R D E R

The verified application of Southern Pacific Company filed on January 21, 1955 discloses that the amount of passenger and freight business transacted at applicant's station of Fargo during the past two years no longer warrants its continued maintenance.

Good cause appearing, Southern Pacific Company is authorized to abandon its Class "C" non-agency station of Fargo, County of Fresno; to remove a spur track of approximately 652 feet in length at said station; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.
