OPINION AND ORDER

Applicant George C. Covert, doing business as Covert Brothers Transfer, requests a state-wide certificate of public convenience and necessity authorizing the transportation of used household goods and related items as a highway common carrier.

The sought certificate has not been shown to be necessary for the type of service applicant performs and by this application proposes to perform. A hearing does not appear to be necessary. The application will be denied.

Good cause appearing,

IT IS ORDERED that Application No. 36092 is hereby denied.

Dated at San Francisco, California, this 15<sup>th</sup> day of March, 1955.
