Application No. 35544

ORDER REVOKING OPERATIVE AUTHORITY

It appearing that Decision No. 50356 dated August 3, 1954, in Application No. 35544, authorized Lyle Hodges to acquire a passenger stage operative right created by Decision No. 48606, dated May 19, 1953, in Application No. 24162, authorizing service between the City of Elsinore and Lake Elsinore; that Lyle Hodges thereafter acquired said operative right and established operations thereunder; that by his letter dated February 15, 1955, Lyle Hodges states in substance that on February 1, 1955, he discontinued said service between the City of Elsinore and Lake Elsinore "due to lack of patronage"; that between the dates of August 3, 1954, and February 1, 1955, the total revenues received from and the out-of-pocket expenses of the operation of said service amounted to \$420.25 and \$2,870.68 respectively; that all public liability and property damage insurance which is required by the Commission's General Order No. 101, has been canceled by said Lyle Hodges; and that he has stated he has no objection to the revocation of said right as he has "... no intention of resuming service".

Therefore, it is hereby found that Lyle Hodges is no longer conducting and in fact has abandoned passenger stage service between the City of Elsinore and Lake Elsinore and intermediate points.

Good cause appearing,

IT IS ORDERED that the operative right created by the foregoing decisions is hereby revoked and all effective tariffs and timetables on file with the Commission in the name of Lyle Hodges are hereby canceled.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 5<sup>th</sup> day of April, 1955.
