FIRST SUPPLEMENTAL ORDER

By Decision No. 51280, dated April 5, 1955, the Commission, among other things, authorized Tustin Water Works to issue not exceeding 1,448 shares of 5% preferred stock.

The corporation's articles of incorporation originally provided for 5% preferred stock. However, by an amendment dated January 27, 1955, it modified its articles so as to provide for 5-1/2% preferred stock and the authorization by the Commission should be modified so as to permit the issue of preferred stock in accordance with the amendment to the articles, therefore,

IT IS HEREBY ORDERED as follows:

1. Decision No. 51280, dated April 5, 1955, hereby is amended by substituting the words "5-1/2% preferred stock" for the words "5% preferred stock" wherever the latter appear in said decision.

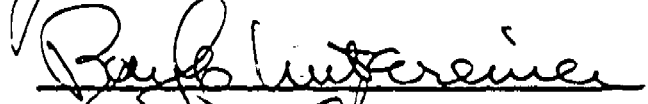

2. This first supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 19th day of APRIL, 1955.
