 agency at Florin, County of Sacramento, )  
 State of California, and to maintain )  
 the same as a non-agency. )

O R D E R

The verified application of Southern Pacific Company, filed on January 5, 1955, discloses that the amount of business transacted at the applicant's seasonal agency station of Florin, County of Sacramento, has not been sufficient to justify the cost of maintenance of the said agency during the grape shipping season, and such freight traffic can be handled at Florin as a Class "A" non-agency station without inconvenience to the shipping public.

Good cause appearing, Southern Pacific Company is authorized to discontinue its seasonal agency at Florin, County of Sacramento, and to maintain such station as a Class "A" non-agency, subject to the following conditions:

- (a) It shall give not less than ten days' notice to the public of the discontinuance of agency service by posting notice thereof at said station.
- (b) Upon five days' notice to the Commission and the public applicant shall file an appropriate amendment to its tariff indicating the discontinuance of said agency.
- (c) The authorization herein granted shall expire if not exercised within ninety days after the effective date hereof unless further time is granted by subsequent order.
- (d) Within thirty days after discontinuance of service as herein authorized, Southern Pacific Company shall notify this Commission thereof and of compliance with the conditions hereinabove set forth.

The effective date of this order shall be twenty days after the date hereof.
