Application No. 36836

O P I N I O N

N. T. Chastain, doing business as Redding City Lines and presently rendering a passenger stage service between Redding, Oak Grove, Girvan, Benton Tract, and Enterprise communities, requests a certificate of public convenience and necessity redescribing his operations.

The certificate is requested in lieu of those which he presently holds for the purpose of clarification and the extension of service to newly developed residential areas.

After consideration the Commission is of the opinion and so finds that public convenience and necessity require the granting of the authority sought. A public hearing does not appear to be necessary.
