

ORIGINALDecision No. 51567

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application)
of FRANK D. DAVI for Renewal of) Application No. 36582
License as a Motor Transportation)
Broker.)

O P I N I O N

By Decisions Nos. 49868 and 50254, both in Application No. 34879, Frank D. Davi was licensed to act as a motor transportation broker for twenty-four carriers during 1954. He conducts such business at 143 Drumm Street, San Francisco, and does business as Northwest Motor Transportation Broker.

By the above-entitled application, applicant Davi requests the Commission to reissue a license to continue his brokerage business for the calendar year 1955. Letters of Authority from approximately twenty-three carriers have been submitted by applicant. A check of the list of those carriers indicates that two of them are presently not conducting transportation, viz.: Henry M. and Allen F. Rodarmel (Permit No. R-28-521), File T22863, and Lawrence Skicklig of West Sacramento, California (Permit No. R-31-567), File T16416. Therefore, those names may not be included in the list of carriers for whom applicant may arrange transportation unless and until they lawfully resume operations.

Applicant has on file with the Commission a surety bond as required by the provisions of Section 4838 of the Public Utilities Code. After full consideration of applicant's request it appears that the license should be renewed for the calendar year 1955. A public hearing appears to be unnecessary.

O R D E R

Application as above entitled having been filed, and based upon the conclusions expressed in the foregoing opinion,
