In the Matter of the Renewal of)

 portation Broker.)

Application No. 36602

O P I N I O N

By Decision No. 49874, in Application No. 35265, the Commission granted to Arthur R. Kerstetter a license to engage in business as a motor transportation broker at Fresno, California. In this proceeding he asks the Commission to reissue that license for the year 1955.

Applicant plans to continue to arrange for transportation of general commodities intrastate within California. He is continuing to serve one carrier served during the year 1954 and has obtained Letters of Authority from two additional carriers.

After full consideration of all the evidence in this proceeding we find no reason to withhold reissuance of a license to applicant. A surety bond in the form required by law has been filed. No public hearing appears to be necessary and the application will be granted.
