Decision No. 51614

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of) R. A. CONYES, an individual doing) business as R. A. CONYES TANK LINES,) for a certificate of public conven-) ience and necessity to operate as a) highway common carrier.)	Application No. 35940
---	-----------------------

O P I N I O N

R. A. Conyes is a highway carrier engaged in the transportation of property in California pursuant to permits issued him by this Commission.

Applicant seeks an order authorizing him to conduct service as a highway common carrier for the transportation of acids, chemicals, and other liquids (except petroleum and petroleum products) in bulk in tank vehicles, generally between all points and places within the State of California.

Notice of filing of the application was given all common carriers subject to the jurisdiction of this Commission.

The application does not contain evidence sufficient to constitute a showing that public convenience and necessity require the establishment of the proposed service. The application will therefore be denied.
