SUPPLEMENTAL ORDER

By Decision No. 50969, dated January 10, 1955, the Commission authorized Cordova Water Company to issue not exceeding 1,200 shares of common stock on or before June 1, 1955, in exchange for water service facilities.

The company reports that the shares of stock will be issued when and as various units in its service area are completed and that such issue therefore will extend over a period of time. Accordingly, it has requested the Commission to modify its order so as to extend the time within which such shares might be issued to June 1, 1956.

The Commission has given consideration to this request and is of the opinion that a further hearing is not necessary and that the matter should be approved, therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Cordova Water Company may issue the shares of stock authorized by Decision No. 50969, dated January 10, 1955, hereby is extended to and including June 1, 1956.

2. This supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 12th day of July, 1955.
