FIRST SUPPLEMENTAL ORDER

By Decision No. 50925, dated January 4, 1955, the Commission authorized Rio Plaza Water Company, Inc. to issue not exceeding \$14,000 par value of its common stock and a promissory note in the principal amount of not exceeding \$21,000 in payment for water system facilities.

The company reports that through inadvertence it did not issue the stock or note by April 30, 1955, the termination date of our authorization, and that it may issue four notes in the aggregate amount of \$21,000, instead of one note. It has requested the Commission to modify its order so as to extend to September 30, 1955, the time within which it might issue such common stock and promissory note, or notes.

The Commission has considered applicant's request and is of the opinion that it should be granted, therefore,

IT IS HEREBY ORDERED as follows:

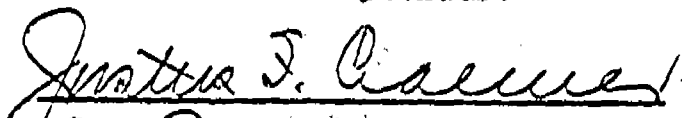

1. The order in Decision No. 50925, dated January 4, 1955, hereby is amended so as to permit Rio Plaza Water Company, Inc. to issue \$14,000 par value of common stock and a note, or notes, in the total face amount of \$21,000 on or before September 30, 1955.

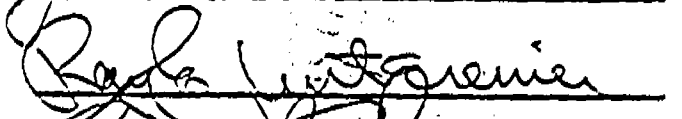

2. This first supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 13th day of September, 1955.
