ORDER REVOKING OPERATIVE RIGHTS

It appearing by Decision No. 49553, dated January 12, 1954, in the above-numbered application that Manuel Sandoval was granted a certificate of public convenience and necessity authorizing the establishment and operation of a service as a passenger stage corporation for the transportation in station wagons of employees of Douglas Aircraft Company when traveling between their residences and place of work, between Placentia and the Douglas Aircraft Plant on Lakewood Boulevard near the City of Long Beach; and it further appearing that said Manuel Sandoval does not have on file adequate insurance protection against liability imposed by law for the payment of damages for personal injury or property damage as required by General Order No. 101; and that the passenger stage service in question was discontinued on August 16, 1955; therefore, it is found that Manuel Sandoval is no longer conducting and has discontinued said passenger stage operation.

IT IS ORDERED that the certificate of public convenience and necessity granted to Manuel Sandoval pursuant to said Decision No. 49553 be, and it is hereby, revoked and all effective timetables and tariffs on file in the name of Manuel Sandoval be, and they are hereby, canceled.

The secretary is directed to cause a certified copy of this order to be served upon said Manuel Sandoval.

The effective date of this order shall be the twentieth day after service of a copy hereof upon said Manuel Sandoval unless before such effective date he shall have filed with this Commission a written response to this order, denying the facts set forth herein and requesting a public hearing thereof, in which event the effective date of this order shall be stayed until hearing is had and further order issued.
