Extension of Time)

FIRST SUPPLEMENTAL ORDER

By Decision No. 51651, dated July 5, 1955, the Commission authorized Southern California Freight Lines to issue and sell 4,500 shares (\$450,000 par value) of its common stock, at not less than par for cash, for the purpose of paying indebtedness and of providing working capital. The time within which such shares may be issued and sold will expire on September 30, 1955.

In a supplemental application filed in this proceeding on September 12, 1955, the company reports that it has not completed its arrangements for the sale of its shares. It intends to proceed with such sale, however, and accordingly has requested the Commission to extend the time within which it might do so.

The Commission has considered this matter and is of the opinion applicant's request should be granted, therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Southern California Freight Lines may issue and sell the 4,500 shares of common stock authorized by Decision No. 51651, dated July 5, 1955, hereby is extended to and including December 31, 1955.

This first supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 27<sup>th</sup> day of September, 1955.
