tion at grade of a spur track) Application No. 37330
across County Highway No. 105-E,)
in the County of Shasta, State)
of California)

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across County Road No. 105-E near Redding, Shasta County, at the location described in the application, to be identified as Crossing No. C-251.4-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

County of Shasta, desiring to expedite completion of the proposed spur prior to inclement weather, has requested immediate authorization.

Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 11th day of October, 1955.
