Application No. 37277

O P I N I O N

Key System Transit Lines requests authority to amend the terminal turns of its No. 76 Montclair route and its No. 77 Piedmont Pines route.

As justification for the authority sought applicant alleges that the proposed amendments are necessitated because of the growth and development of the Montclair commercial district and a newly constructed freeway. The Commission is in receipt of a letter to the effect that the Oakland City Council recommends that the application be approved.

After consideration the Commission is of the opinion and so finds that public convenience and necessity require the granting of the authority sought. A public hearing does not appear to be necessary.
