

Decision No. 52212**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
PACIFIC GREYHOUND LINES for authority
to operate buses in excess of thirty-
five feet in length and in excess of
ninety-six inches in width in urban
and suburban service.

Application No. 35315

ORDER DENYING REHEARING

The State of California through the Department of Public Works has filed its petition for rehearing respecting Decision No. 52106, rendered herein by the Commission on October 18, 1955.

Petitioner requests a stay of the operative effect of said decision pending the determination of its petition for rehearing and, also, requests that oral argument on said petition be heard by the Commission in bank.

We are not unmindful of the sincerity with which petitioner urges the alleged error committed by the Commission in the decision which the petition for rehearing assails. We have considered each and all of said specifications of alleged error and find no point of law or fact raised therein which was not raised by petitioner during the course of this proceeding.

We find no error in the assailed decision and, accordingly, adhere to our former ruling; therefore,

IT IS ORDERED that said petition for rehearing be and the same is hereby denied.

Dated, San Francisco, California, this 7th day of November, 1955.
