Application No. 37046

O R D E R

County of Sacramento is authorized to widen the crossing of Walerga Road at grade with tracks of Southern Pacific Company, (Crossing No. A-99.9) near Walerga, Sacramento County, as described in the application and in accordance with the plan attached thereto. Width of crossing shall be not less than twenty-four feet and grades of approach not greater than two percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 crossing signals, (G.O. No. 75-B), supplemented with automatic crossing gates.

Construction expense shall be apportioned by agreement between the parties or, if they fail to agree, by further order of the Commission. Maintenance cost outside of lines two feet outside of rails shall be borne by applicant. Southern Pacific Company shall bear maintenance cost between such lines.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time

be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. Applicant requests immediate authorization in view of the coming rainy season. Therefore, the effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 14th day of November, 1955.
