Case No. 5559

SUPPLEMENTAL OPINION AND ORDER

The Commission having issued Decision No. 52109, dated October 18, 1955, in the above-entitled matters, granting a certificate of public convenience and necessity to Desert Express for "the transportation of general commodities except petroleum and petroleum products in bulk and in tank trucks, and except livestock," the said decision inadvertently having omitted an exception as to household goods, no request or showing having been made relative to the transportation of household goods, and good cause appearing,

IT IS ORDERED that Ordering Paragraph (1) of Decision No. 52109, dated October 18, 1955, is amended to read:

"(1) That a certificate of public convenience and necessity authorizing the establishment of a service as a highway common carrier as defined in Section 213 of the Public Utilities Code, for the transportation of general commodities except petroleum and petroleum products in bulk and in tank trucks, livestock, and used household goods and personal effects, be, and it hereby is, granted to Desert Express, a corporation, between all presently authorized points of service in the Mojave Desert region as described in applicant's existing certificates, on the one hand, and, on the other hand, the San Francisco Bay territory as described in Appendix A attached hereto, including all intermediate points and off-route points within five miles of either side of the routes hereinafter set out, as an extension of and addition to its existing operating authority."

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 5th day of December, 1955.
