Application No. 37364

O R D E R

The City and County of San Francisco is authorized to construct 13th Street at grade across one drill track and one spur track of Southern Pacific Company in the City and County of San Francisco, at the location described in the application to be identified as Crossing No. E-1.89-C. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Southern Pacific Company shall bear maintenance cost between such lines. Width of crossing shall be substantially as shown in the application (Exhibit "A") and grades of approach not greater than one percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by four Standard No. 8 flashing light signals (General Order No. 75B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety

so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 16th day of January, 1956.
