O R D E R

The verified application of The Atchison, Topeka and Santa Fe Railway Company filed on December 5, 1955 discloses that the amount of passenger and freight business transacted at applicant's station of Tuttle, Merced County, during the past four years no longer warrants its continued maintenance.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall become void if not

exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.
