

Decision No. 52580

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
WATER WORKS OF MONTA VISTA, LTD.,  
for authority to borrow money and to  
issue secured note pursuant to the  
requirements of Section 52(b) of the  
Public Utilities Act.

Application  
No. 37341  
(Petition for  
Extension of Time)

FIRST SUPPLEMENTAL ORDER

In Decision No. 52122, dated October 25, 1955, the Commission authorized Water Works of Monta Vista, Ltd., to execute a loan agreement with Bank of America National Trust and Savings Association and to issue a note in the principal amount of not exceeding \$40,000 for the purposes of refinancing a Reconstruction Finance Corporation loan, and of providing the cost of developing additional sources of water supply within its service area.

The company reports that due to weather conditions, it does not anticipate exercising such authority before the expiration date of January 31, 1956, and it now requests an extension of time to June 1, 1956, within which to execute the loan agreement and to issue the note.

The Commission has considered this request and is of the opinion that it should be granted, therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Water Works of Monta Vista, Ltd., may execute the loan agreement and issue the note authorized by the

first ordering paragraph of Decision No. 52122, dated October 25, 1955, be, and it hereby is, extended to and including June 1, 1956.

2. This first supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 7<sup>th</sup> day of FEBRUARY, 1956.
