

Decision No. 52689**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
EASTERN CITIES TRANSIT, INC., for  
authority to operate over and along  
certain streets as extensions of  
existing routes, and for authority  
to abandon certain portions of  
existing routes.

Application No. 37442

ORDER OF DISMISSAL OF UNDETERMINED  
PORTION OF THE APPLICATION

By Application No. 37442, filed on October 27, 1955, applicant sought authority to modify portions of its Whittier Routes Nos. 1, 3 and 5. A public hearing on the application was held in Whittier on December 8, 1955, at which evidence was presented in opposition to the extension of applicant's Route No. 1 from the intersection of Cullen Street and Cole Road to the intersection of First Avenue and Santa Fe Street, and this portion of the application was continued to a date to be set. By Decision No. 52515, dated January 23, 1956, in said application, the remainder of the application was granted. By letter dated January 31, 1956, applicant has advised the Commission that it desires to withdraw the application as to that portion thereof not determined by said Decision No. 52515. Now therefore, good cause appearing,

IT IS HEREBY ORDERED that as to any matters not determined by Decision No. 52515, dated January 23, 1956, Application No. 37442 is dismissed without prejudice.

Dated at San Francisco, California,  
this 28th day of February, 1956.
