In the Matter of the Application of ASBURY RAPID TRANSIT SYSTEM, a corporation, for an in lieu certificate of public convenience and necessity.

Application No. 35089

ORDER OF DISMISSAL

The vice president and general manager of Asbury Rapid Transit System, applicant in the above-entitled matter, in writing under the date of January 18, 1956, informs the Commission that by Decision No. 51816, Application No. 36773, a new certificate was granted to applicant which was in the place and stead of, and superseded all certificates theretofore granted to or acquired by said applicant which were revoked. As a consequence, so it is asserted, such action by the Commission makes unnecessary the issuance of any order in the above-entitled matter which applicant desires to withdraw. Therefore, and good cause appearing,

IT IS ORDERED that the above-entitled matter is hereby dismissed without prejudice.

Dated at San Francisco, California, this 6<sup>th</sup> day of March, 1956.
